THE OPENING SCENE

INTRODUCING A
LANDMARK ADDRESS

Once the greatest movie laboratory outside Hollywood, where Oscar-winning films were processed and screened to world-famous directors, The Denham Film Studios is a spectacularly unique new residential destination.

Featuring the restored Grade II listed main laboratory with retained cinema as its centrepiece, the 12 acre site has been transformed to offer an Art Deco inspired collection of luxurious new and converted homes, set amongst beautifully landscaped grounds, gardens and protected woodland.

FLASHBACK

CELEBRATING A FASCINATING HISTORY

The Denham Film Laboratories has an exceptional history, playing a central role in Hollywood and British movie making for almost 80 years. In 1935, Hungarian film producer Alexander Korda purchased an estate in Denham for £15,000, with the dream of building his own 165 acre film studios – The Denham Film Studios.

The stables of the original house were converted to cutting rooms and the site had its own electricity generating station, complete Technicolor laboratory, seven sound stages, large workshops for scenery construction, restaurants and even a train service from London.

Forming part of the wider complex, the laboratories were used to process, screen and edit famous movies from the 1930s to 2014. In its heyday, the site formed the largest and most advanced film laboratory outside of Hollywood, employing over 1,200 people and producing over 500 million feet of film per year, with completed films distributed to cinemas around the world.

“WHEN THE TECHNICIANS WHO HAD BEEN WATCHING A SCENE FILMED APPLAUDED, YOU KNEW IT WAS GOOD, BECAUSE THEY’D SEEN THE BEST.”

– Bernard Miles

ICONS OF ARCHITECTURE AND THE SILVER SCREEN

The Grade II listed Art Deco main laboratory and head office was built in 1936 by Walter Gropius, the world-renowned architect who headed the Bauhaus movement. It is one of just three buildings he designed in the UK, and one of the only existing examples of industrial architecture from the Modern Movement. Featuring a white façade and linear balconies evoking 1930s ocean liners, the retained building with its meticulously refurbished cinema forms a spectacular focal point of The Denham Film Studios.

Throughout its illustrious history, Denham Film Laboratories was visited by notorious directors including Stanley Kubrick, Albert 'Cubby' Broccoli, Steven Spielberg and Ridley Scott. Amongst the incredible list of films edited at Denham are classics such as Brief Encounter, The Great Escape, Alien and Aliens, ET, Superman 1, 2 and 3 and many of the Star Wars and James Bond movies. A large water tank was used for filming movies including Treasure Island, The Cruel Sea and The Dam Busters. The site's cinematic heritage lives on in the form of spectacular large celluloid 'screens' etched with scenes from famous movies produced at the studios, backlit to create a striking illuminated feature at night.

IN FOCUS

ENJOY THE PACE OF VILLAGE LIVING

The Denham Film Studios occupies a desirable location offering classic village appeal and green surroundings. Denham itself has served as the picturesque backdrop for several films and television programmes, with its leafy roads lined with attractive, wisteria-adorned red brick buildings and its quintessential English village charm.

There is a great offering of places to eat and drink, including the beautiful Swan Inn, the Falcon Inn overlooking the village green, and the stylish Fat Cow gastropub, hosting regular events and live music. Even closer to home there are two Thai restaurants, an Indian restaurant, butchers and a choice of convenience stores.

This is an ideal location for family living, with an excellent selection of schools within just a few miles, including The Gerrards Cross C of E School, Harefield Junior School and Whiteheath Infant and Nursery School, all rated 'Outstanding' by Ofsted. Green open space is also in abundance, with a protected nature reserve adjacent and another to the south, and scenic river and canalside walks to the east. Golf enthusiasts are spoilt for choice, with Denham and Buckinghamshire Golf Clubs right on the doorstep and the stunning Moor Park just a short drive away, among many others.

MOTION PICTURE

CULTURE AND CONNECTIONS WITHIN REACH

For a greater diversity of amenities, charming Gerrards Cross is just a short drive or four minute train journey from Denham, with its bustling high street scattered with independent boutiques, cafés, bars and restaurants, as well as the convenience of a Waitrose and Tesco.

The town of Rickmansworth is just a little further out, with a wider offering of shops, pubs and eateries, and the Watersmeet Theatre. Both are a foodie's dream with delis, patisseries, bakeries and wine shops aplenty. Alternatively it's around 10 miles north to Watford with the Harlequin shopping centre and further leisure and entertainment options.

Whether for work or pleasure, The Denham Film Studios is perfectly placed for fast connections into the capital, with Denham station around half a mile away providing regular services to London Marylebone in as little as half an hour. Quick access to the A40, M40 and M25 makes travel by car just as easy.

PREMIERE LOCATION

SUPERB LINKS, LOCALLY AND FURTHER AFIELD

The Denham Film Studios occupies a superb position within walking distance of the train station and a choice of amenities.

Just a few miles from the M25 and M40, the leafy location offers excellent road and rail links.

THE MAIN FEATURE

AN EXCLUSIVE DEVELOPMENT AND A UNIQUE SETTING

Set back from the road in a fantastic leafy location, The Denham Film Studios offers a superb collection of homes designed around attractive garden squares, landscaped grounds, beautiful rill water features and private gardens, bordered by extensive protected woodland.

134 private new and converted homes comprise one, two and three bedroom apartments and four and five bedroom townhouses with parking and garaging. Residents and their guests benefit from the exclusive use of the stunning restored cinema and adjoining bar. Once the haunt of numerous film producers and stars, the cocktail bar seamlessly fuses Art Deco and contemporary influences to evoke the glamour of the original space.

On the inside, the homes feature Weston Homes' excellent standard of modern design and specification, providing chic contemporary style with a hint of Art Deco character. High ceilings and extensive glazing create light, open living spaces leading onto private balconies or terraces. Designer fitted kitchens feature stylish quartz stone worktops and LED plinth lighting. Timeless oak flooring runs throughout the living areas and luxury extras like the instant boiling water tap, digitally controlled Smart taps and Smart mirrors and underfloor heating offer the ultimate in comfort and convenience.

METICULOUS DESIGN AND DETAILING

Working with international designer Oz Lancaster of OS Design Ltd, Weston Homes has painstakingly restored the main building to create breathtaking interiors that remain true to its heritage. The foyer provides a striking, opulent entrance featuring elegant white marble flooring, a high gloss black concierge desk, coffered ceiling with Art Deco chandelier and the style, smooth lines and geometric shapes synonymous with the era. As well as beautiful surroundings, residents benefit from the luxury, convenience and security of a daily concierge service, providing a helping hand with day-to-day tasks.

CREATING A SPECTACULAR NEW SPACE

Within the refurbished Grade II listed building, a new glass roofed central atrium rising from the ground to top floor forms a dramatic space combining a beautiful curved centrepiece stairwell, water feature and floor to ceiling glazing, complementing the distinctive architecture and allowing natural light to cascade into the homes.

WESTON HOMES

MAKING YOUR DREAM HOME A REALITY

The Company was formed in 1987 by Bob Weston who took his considerable experience in the building industry to set up what has now become Weston Homes Plc, which has grown to become one of the major house builders in the South East. This is due in no small part to its commitment to continual reassessment of the marketplace and the provision of properties to exceed the expectations of purchasers both in terms of quality and value for money.

Always forward-looking, Weston Homes has merged the traditional skills of house building with the ever-expanding opportunities and new areas available through the use of the latest technology.

Recently this has manifested itself through the company's revolutionary new 'Project Genesis' scheme. Through Project Genesis, Weston Homes has taken house building to a new level. Many of the properties' components are pre-manufactured in factory conditions rather than on site, allowing quality to be maintained.

BRINGING IDEAS TO LIFE

Strict quality controls are carried out at all stages with items including door sets, windows and kitchens, quickly and efficiently fitted on site at an advanced stage of construction. The resultant cost saving allows for a higher specification to the property.

As the Company has grown its range of operations has expanded, with current developments stretching from the east of Essex down through London and the majority of surrounding Home Counties.

Within Buckinghamshire, Weston Homes have completed developments in nearby Markyate, St. Albans, and Buckingham, and have a development planned in Dunstable. Projects are varied, ranging from select housing developments to large scale city apartment complexes of hundreds of units. As well as new-build properties, the Company has extensive experience in the restoration and refurbishment of historic buildings.

HOME BUYER'S INFORMATION PACK

All purchasers at The Denham Film Studios will be presented with the information manual from Weston Homes at the point of reservation. The reservation manual includes all of the information needed to ensure the purchasing process is as smooth as possible; the manual takes the purchaser through all the stages they will encounter from reservation through to exchange and will even give advice on how to prepare for completion and occupancy.

When collecting keys for a The Denham Film Studios property the purchaser will then receive a further handover manual, presented in a leather bound folio; containing all manuals for every appliance in the new property as well as important information and contact details.

The homeowner's folio presented also allows the purchaser space to add any other documents which they may collect throughout the purchasing process. The manuals are provided to make buying and moving-in at The Denham Film Studios as stress-free as possible.

BUYING WITH US

DEPOSIT

A deposit is required of £1000.00 paid subject to contract, which will be retained if the purchaser withdraws before exchange of contracts.

RESERVATION

On reservation, the selling agent will require details of the purchaser's solicitor who will be instructed immediately.

EXCHANGE OF CONTRACTS

The exchange of contracts date will be strictly adhered to. If any contracts are not exchanged on or by the appropriate date, Weston Homes Plc reserves the right to re-offer the property. It is therefore in the purchaser's interest to keep in close contact with the selling agents, Knight Frank.

COMPLETION

On reservation an anticipated completion date will be given and the selling agent will keep you informed as to the progress of construction.

The appropriate notice of completion will be given as soon as possible wherein the purchaser will be invited to view their home. Upon completion, after the full payment has been received, the keys may be collected from the selling agents, Knight Frank.
